

TRIINSTITUTIONAL PHD PROGRAM

Computational Biology & Medicine

ADMISSION TO CANDIDACY EXAM (ACE) COMMITTEE FORM

By **January 31st** of the student's second year in the Weill Cornell Graduate School, the student must have formed their ACE committee. Please use this form to inform the Tri-I CBM program of your committee members. Completed forms should be sent to Margie H. Mendoza at mah2036@med.cornell.edu.

The ACE committee will be comprised of one ACE Committee Chairperson (not the student's thesis advisor(s)) and at least three examiners to be selected by the student. CBM students may substitute one Cornell Ithaca faculty Examiner for one Weill Cornell Graduate School faculty Examiner. Additional examiners are permitted and may be requested by the student, the committee, the Program, or the graduate school. Typically, one of the examiners will be the student's thesis advisor. Every member of the ACE committee must be a member of the Weill Graduate School faculty, unless otherwise allowed by the Dean's Office.
