

TRIINSTITUTIONAL PHD PROGRAM

# Computational Biology & Medicine

## CBM MAJOR SPONSOR AGREEMENT The Rockefeller University

I, \_\_\_\_\_, have agreed to serve as Major Sponsor for  
\_\_\_\_\_, a graduate student in the CBM Program.

### CBM Student Funding Structure

- Year 1: Stipends, health insurance, and tuition are funded through the Tri-I CBM Program.
- Year 2-5: Stipends, health insurance, and tuition are funded by the Rockefeller University Graduate School and/or by student fellowships, T32 appointments.
- Years 6+: Stipends and health insurance are funded 100% by the Major Sponsor and/or by student fellowships. Tuition is funded by the Institution.

I understand CBM's funding structure and acknowledge that I am responsible for 100% of the stipend and health insurance in Year 6 and beyond. I commit to provide funding for my student's stipend according to the schedule above, in addition to reasonable research expenses, throughout their duration of graduate study. I understand that my student is required to adhere to all CBM rules and policies, including curriculum and committee requirements, as well as the rules and policies of the David Rockefeller Graduate Program. I commit to mentoring my student and to supporting their overall career and professional development, including completing a face-to-face review of the student's Individual Development Plan at least annually.
