

2023 Tri-Institutional Computational Biology & Medicine Seminar

Invites You to Our Special Seminar

Caleb Lareau, Ph.D.

Assistant Member, Program in Computational and Systems Biology
Memorial Sloan Kettering Cancer Center

Seminar Title

*“Genomic Data Mining For Understanding Toxicities
in Adoptive Cell Therapies”*

Date

Thursday, December 14, 2023

Time

4:00PM

Location

C-200 Weill Auditorium; 1300 York Avenue

Via Zoom: <https://weillcornell.zoom.us/j/97917431076>

Host: Ekta Khurana, Ph.D., Co-Director, Tri-I PhD Program in Computational Biology & Medicine
