

2023 Tri-Institutional Computational Biology & Medicine Seminar

Invites You to Our Special Seminar

Ruslan Soldatov, Ph.D.

Assistant Attending
Department of Computational Oncology
Memorial Sloan Kettering Cancer Center

Seminar Title

“Computational Analysis of Cell Fate Dynamics in Normal Tissues and Premalignancy”

Date

Thursday, November 9, 2023

Time

4:00PM

Location

Belfer Research Building; 413 E. 69th Street
Conference Room 204 A, B, & C

Via Zoom: <https://weillcornell.zoom.us/j/97917431076>

Host: Christina Leslie, Ph.D., Chair, Tri-I PhD Program in Computational Biology & Medicine
