

2024 Tri-Institutional Computational Biology & Medicine Seminar

Invites You to Our Special Seminar

Jian Carrot-Zhang, Ph.D.

GSK Faculty Member,
Memorial Sloan Kettering Cancer Center

Seminar Title

*“Understand Germline-Somatic Interaction Through
Multi-Ancestral Studies”*

Date

Thursday, January 18, 2024

Time

4:00PM

Location

Belfer Research Building
413 E. 69th Street; Room 204 A-C

Via Zoom: <https://weillcornell.zoom.us/j/97917431076>

Host: Christina Leslie, Ph.D., Director, Tri-I PhD Program in Computational Biology & Medicine
