

2024 Tri-Institutional Computational Biology & Medicine Seminar

Invites You to Our Special Seminar

Joseph Chan, MD, PhD

Thoracic Oncologist,
Memorial Sloan Kettering Cancer Center

Seminar Title

“Quantifying Plasticity at Single-Cell Level in Histological Transformation Across Cancer Types”

Date

Thursday, February 22, 2024

Time

4:00PM

Location

Belfer Research Building
413 E. 69th Street; Room 302 A-C

Via Zoom: <https://weillcornell.zoom.us/j/97917431076>

Host: Benjamin Greenbaum, Ph.D., Faculty, Tri-I PhD Program in Computational Biology & Medicine
