

# 2025 Tri-Institutional Computational Biology & Medicine Seminar

---

**Invites You to Our Special Seminar**

**Avi Flamholz, Ph.D.**

Assistant Professor & Head of Lab, The Laboratory of Environmental Microbiology,  
The Rockefeller University

## **Seminar Title**

*“Using engineered bacteria to study the history of Earth’s  
atmosphere”*

## **Date**

Friday, October 17<sup>th</sup>, 2025

## **Time**

11:00 AM

## **Location**

Weill Greenberg Center, Rooms BC  
1305 York Avenue

Via Zoom: <https://weillcornell.zoom.us/j/93225123720>

Host: Christina Leslie, Ph.D., Chair, Tri-I PhD Program in Computational Biology & Medicine
